Re: Canada Games – Minor Officials

I have been asked if I would touch base with the officiating community in regards to the recruitment of **Goal Judges** for the upcoming 2011 Canada Winter games. As many of you are well aware the Games are taking place in February 2011, with Halifax being the host city. The organizing committee has asked that minor officials come from the officiating ranks, as they have a good understanding on the rules of the game. This is a unique opportunity as it affords officials the opportunity to become directly involved in the Canada Games. Goal Judges are integral to the game.

Any official or officiating administrator wishing to put their name forward to possibly work the Canada Games as a **Goal Judge** as ask to fill out the form below and email it to Randy Pulsifer at rpulsifer@hrsbc.ns.ca.

I will in turn compile a list and submit it to the Canada Games Committee in charge of Male and Female hockey. The due date on this request for submission is **January 4, 2010**

Regards,

Randy
