

TRAVEL PERMITS

Requesting a travel permit is much easier than you might think.

There are 2 steps that need to be followed:

1) You need to have an ehockey account.

WHAT IF I DON'T HAVE AN EHOCKEY ACCOUNT???

You can sign up for an ehockey account at <http://ehockey.hockeycanada.ca>

Just a reminder...ehockey has **REPLACED** elearning...so if you have an elearning account, you have an ehockey account. Use the same username and password as you did for elearning.

2) You need to be registered to the hockey team you are requesting the travel permit for.

All travel permits are automatically **PRE APPROVED** and able to be used immediately with the number you are given once the permit is completed.

Regional directors are the people who approve the permits but once again, they are PRE APPROVED right away!

Please do not hesitate to contact Mike or Beth at the Hockey Nova Scotia office should you have further questions 494-9400.
