

Dear Spring Camp Participant,

Hockey Nova Scotia would like to thank and congratulate all participants for being part of Hockey Nova Scotia's High Performance Program's Spring Selection camps that took place the past few weekends.

We hope all participants enjoyed the spring camps and had a great experience. These camps are a great development opportunity for all players involved whether they move onto the summer camp or take the coming season to prepare in hopes of going to the summer camp next season.

As presented at the spring camp orientation session for all parents and participants, we are providing a more efficient method in notifying participants on our website on whether they will be attending the June Canada Games Camps/ and or the summer camp this coming July at St. FX University in Antigonish, Nova Scotia. Names are posted below as notification that you have been successful to move onto the summer camp. If your name is not on the list unfortunately you were not selected in advancing to the summer camp and encourage you to continue to work hard toward making the summer camp next season.

Should your name be on the list below, you will be receiving further information in the mail in the coming weeks on all the details for the summer camp regarding registration, cost etc. before May 20th.
