

## How to register for an NCCP Course (Development 1 and 2)

1. Log on to your ehockey account (If you do not have an ehockey account set up, please copy and past this link into your web browser  
[http://www.hockeynovascotia.ca/user/File/4\\_%20EHOCKEY.pdf](http://www.hockeynovascotia.ca/user/File/4_%20EHOCKEY.pdf)).
2. Scroll through the dates for the courses provided and choose the date that best suits your schedule.
3. Select that clinic. At this point you will be asked which level you are coaching. Please select an option. DO NOT select N/A.
4. Proceed to checkout

**Please note that if you have registered for the classroom portion and fail to attend you will not be given credit for this course and will be unable to be on the bench.**

**\*\*\* Please note that individual coaches will not pay themselves when registering. Hockey Nova Scotia will be able to print a total invoice for each Minor Hockey Association at the completion of clinics season. It is important that it is communicated to your respective coaches what courses they need, and you keep your own audit internally so you have an estimate of clinics costs.**
