

Dear June Camp Participant,

Hockey Nova Scotia would like to thank and congratulate all participants for being a part of Hockey Nova Scotia's High Performance Program's Canada Games June camp that took place over the past weekend.

We hope all participants enjoyed the June camp and had a great experience. These camps are a great development opportunity for all players involved, whether they move onto the summer camp or not.

As presented at the camp orientation session for all parents and participants, we are providing a more efficient method in notifying participants on our website on whether they will be attending the summer camp this coming July at St. FX University in Antigonish. Names are posted below as notification that you have been successful to move onto the summer camp. If your name is not on the list, unfortunately you were not selected in advancing to the summer camp and we encourage you to continue to work hard toward meeting your future hockey goals.

Should your name be on the list below, you will be receiving further information in the mail in the coming weeks on all the details for the summer camp regarding registration, costs, etc. before Friday July 4<sup>th</sup>.

The dates of the male and female summer camps at St. FX are as follows;

**Female Under-18: July 22-July 26**

**Male Under-16: July 22-July 26**

Again, we would like to take this opportunity to thank all participants for their efforts during the June camp and encourage all athletes to set goals and continue to work hard this summer and next season.

Sincerely,

Hockey Nova Scotia's High Performance Development Committee
