Thank You to our sponsors ...

**TAYLARMADE
SECURITY LTD.**

Dear Participant,

The Female Festival is a year end event for female players, whether they are already playing or looking to experience the game for the first time. It is a weekend of fun and excitement for the love of the game.

The levels include players from IP, Novice, Atom, Pee Wee and Adult. You can register as an individual, small group or full team. Registrants will be placed on teams of an appropriate age. The program will include 3 games and a 1 hour skill development session throughout the weekend. The festival will highlight some of the best hockey instructors and female officials in the region.

This year the festival is excited to welcome the Boston Pizza Midget AAA female hockey team to assist and support off ice and on ice activities giving the participants an opportunity to build relationships with outstanding role models.

Hockey is great exercise, provides an opportunity to learn new skills,, make friends and most importantly, have fun.....all of this and more made possible through the generosity of volunteers and female hockey supporters Taylor Made Security and Tim Horton's who helped make this event possible. Your support is greatly appreciated.

Sincerely,

Stephen Murray
Chair, Female Council
