RE: RESPECT IN SPORT PARENT PROGRAM

As you are all aware Hockey Nova Scotia takes the implementation of the Respect in Sport Parent Program very seriously.

For the 2015-16 season and going forward, one parent of each NEWLY registered player (regardless of playing level) will be required to complete this program.

There will be 2 reports will be sent your MHA president on October 22 and November 19th. One will be a list of all of your newly registered players for this season. The second will be a list of those players whose parents have completed the course already. These lists will make it much easier for MHA to cross reference.

The Respect in Sport portion of our website has been updated which should make things much easier for information and registration for these courses.

For convenience, it is also a great idea to make the links to the Respect in Sport website available on your own MHA website.

As always, for any questions, concerns or assistance, please do not hesitate to contact Beth at (902) 454 9400 or breid@hockeynovascotia.ca.

Regards,

Scott Kennedy
